The Chorus competition shall be held in Conjunction with the BHNZ National Convention and consist of up to two separate contests:

ARTICLE I: ELIGIBILITY

A. Quartets

1. Membership and Quartet Registration Requirements

a. BHNZ and Chapter:

All members of competing quartets, with the exception of the current Young Men In Harmony winning quartet, (for whom honorary membership will be granted) must be members of BHNZ. A member of BHNZ is defined as one who is a current financial member of one or more BHNZ chapters or a Member-at-large, and has paid BHNZ national dues in accordance with current BHNZ policy. A member under suspension by his chapter or the BHNZ Board of Directors is not eligible to compete.

b. Quartet Registration:

To be eligible for competition, a quartet must be registered with BHNZ and such registration must include the same personnel that enter the contest. If membership changes in accordance with Article II.B.3.a, the Chairman of the BHNZ Contest & Judging Committee or his delegate must be advised so the register can be updated.

2. Convention Registration

Each competing quartet member shall hold a registration for the convention at which the contest is held.

3. Open Quartet Contest

a. Current BHNZ Champions

The current BHNZ National Quartet Champion must stand down for a year so is not eligible to compete for the next year's BHNZ Quartet Championship. However, should they wish to qualify for the International Quartet Contest, they may enter the BHNZ International Preliminary competition for qualifying score only.

b. Other Quartets

Any quartet that has met the eligibility requirements (See article II B. 1. below) is eligible to compete in the BHNZ Open Quartet Contest.

4. Seniors Quartet

Each member of a quartet competing in the BHNZ Seniors Quartet contest must be age 55 or older and the sum of the ages of the quartet must equal or exceed 240 years. These requirements must be met on the basis of birthdays reached on or before the day of the BHNZ Seniors Quartet contest.

5. Novice Quartet

A novice quartet must contain at least three members who have not previously sung in a BHNZ National Quartet competition.

6. Youth Barbershop Quartet Contest

All members of the quartet must be under the age of 25 on the day of the contest.

7. Mixed Harmony Quartet

Mixed Harmony Quartets must contain at least 1 (one) female member.

8. International Preliminary

All quartets who have qualified for the BHNZ National Quartet Competition are eligible to compete in the International Preliminary.

9. Visitor Quartets

a. Request:

Under normal circumstances, quartets are expected to compete in their home associations. In exceptional circumstances, however, a quartet may request to compete in an association other than their own, in order to attain a qualifying score or for experience and evaluation.

b. Action:

Such requests by quartets to compete in an association other than their own must have unanimous approval by the BHNZ contest and judging chairman (C&J Chairman) and President, and the home association's representative for Contest and Judging and President.

c. Deadline:

This request, including an indication of scoring level, must be submitted at least 60 days prior to the contest for which entry is desired.

d. A Visitor Quartet must meet the contest eligibility requirements of their own organisation.

e. A Visitor Quartet is not eligible to compete for any BHNZ award.

10. Competing in Multiple Quartets

In the BHNZ International Preliminary contest a member may compete with only **one** quartet, regardless of the number of quartets or organisations to which he belongs. However, a member may compete in multiple quartets in any other BHNZ quartet contest.

B. Choruses

1. Membership Requirements

All members of competing choruses, with the exception of female directors, must be members of the BHNZ and a member of each chapter they choose to represent in competition. Chapters represented in BHNZ chorus contests must be financial members of BHNZ in accordance with current BHNZ policy.

2. Chorus Champion Stand Down Year

The previous year's Chorus Champions are required to stand down from BHNZ Chorus Competition for one year. However, they may perform in the competition for "Evaluation Only". The chorus will receive a score, but not be ranked as part of the BHNZ competition.

3. One Chorus per Chapter

Chapters may not enter more than one chorus in any BHNZ contest.

4. Minimum Size.

A chorus shall contain a minimum of 9 (nine) persons, excluding a director

5. Competing in Multiple Choruses

A member may participate, either as director or singer, with more than one chorus in any contest, providing the membership requirements in para 1 above are met.

6. Convention Registration

Each and every member of a competing chorus, including the director, shall hold a registration for the convention at which the contest is held.

7. Small Chorus Contest

A definition of a Small Chorus for the purposes of the BHNZ competition is a chorus that has no more than 20 members on the stage not including the Musical Director.

8. Combining Choruses

a. If two choruses choose to combine for the purposes of competition, they must meet the eligibility requirements (See Article I. B.1) and perform as members of one of the existing choruses only.

b. Where a chapter is unable to meet the requirements to enter the chorus competition (does not meet minimum number of members or parts required) they may combine with another chapter providing the eligibility requirements are met (See Article I. B.1). However, on written application, the requirement for Dual Membership may be waived at the discretion of the BHNZ Board.

9. Visitor Chorus

a. Request:

Under normal circumstances, choruses are expected to compete in their home associations. In exceptional circumstances, a non-BHNZ chorus may request to compete for score or for experience and evaluation at a BHNZ Competition. Should the request be made by a BHS chorus for the purpose of consideration for the BHS International Chorus Contest, then BHS rules apply.

b. Action:

Such requests by choruses to compete in an association other than their own must be unanimously approved by the BHNZ C&J chairman and President, and the home association's representative for contest and judging and President.

c. Deadline:

The request shall be received at least 60 days prior to the contest for which entry is desired.

d. A Visitor Chorus is ineligible to compete for any BHNZ awards.

C. Violations of Article I

1. Reporting Violation

Suspected violations of Article I shall be reported to the BHNZ C&J Chairman within 10 days after discovery of the suspected violation and, in any event, no later than 30 days after the contest conclusion. All such reports must be signed and should include all available documentation in order to assist with the investigation and decision.

2. Format

All notices and rulings with respect to Article I violations must be in writing (which may include electronic transmissions) and shall be deemed to have been given

(a) upon personal delivery, or

(b) if given by electronic transmission, when received and acknowledged. The party receiving an electronic notice or ruling shall immediately acknowledge receipt.

3. Effect of Violation

Quartets and choruses found in violation of Article I.A or Article I.B, respectively, are ineligible and will not be included in the final official scoring summary for that contest. A revised scoring summary will be published if necessary.

ARTICLE II: CONTEST ENTRY PROCEDURES

A. BHNZ Contests and International Preliminary Contest

1. Contest Entry

A contest entry form will be sent or otherwise made available to each eligible contestant within BHNZ by the C&J Committee at least 45 days prior to the contest.

2. Deadline

Completed entries for the contest must be received by the C&J Chairman 28 days prior to the contest. However, the C&J Committee may, at their discretion, accept late entries with good cause no later than 7 days prior to the contest.

B. BHNZ Quartet Contests

1. Contestant Qualification

a. Regional Qualification

Quartets must be judged by a panel of qualified members of the Australasian Judging Guild at a regional qualifying contest in order to compete in the BHNZ National Competition. Regional qualification must be completed at least 45 days prior to the BHNZ National Competition. The only exception to this rule is if a quartet qualifies by Video Assessment as outlined in Article II. B. 1. b.

b. Video Assessment

If a quartet does not meet the qualification requirements of para a. above, a video recording of a two song performance may be submitted for assessment. Submissions commence 75 days prior, and close 60 days prior, to the BHNZ Competition. Videos are to be submitted in accordance with the Guidelines for Video Assessment attached to these rules. (See Appendix A – Video Qualification attached) The video will be assessed by a panel of the Australasian Judging Guild.

c. Minimum Score

In all circumstances, to be eligible to compete, all quartets must have earned a minimum average score as determined by the BHNZ Board upon recommendation by the C&J Committee. The qualifying score is currently an average score of 55 or higher.

d. Scoring Pool

In addition to the quartets that qualify automatically as in Para B1(a) above, the contest slots (up to 20) will be filled in order of ranking from those quartets deemed eligible from the regional contests and video assessments.

2. Quartet Replacement

In the event that any eligible quartet withdraws or otherwise becomes unavailable, the next highest scoring eligible quartet shall be added from the scoring pool. No replacements will be made within 7 days of the contest.

3. Personnel Change in Qualifying Quartets

a. After qualifying for the BHNZ National contest as in Para B (1) above, a quartet may replace up to one member and still be eligible to compete at the national contest. If two or more personnel changes should occur in a qualifying quartet between qualifying and the national contest, that quartet becomes ineligible to compete. BHNZ must be notified of the change in personnel so the Quartet Register can be updated.

C. BHNZ National Chorus Contests

1. Contest Qualification

Each chapter in good standing with the BHNZ is invited to send a representative chorus to the BHNZ national chorus contest provided eligibility requirements are met. (See Article I. B. above)

D. Copyright Clearance

1. Observance of Copyright Laws

All contestants are required to observe the copyright laws in the acquisition, arranging, learning, and performance of songs and arrangements. Any contestant intending to compete at any BHS International competition will be required to comply with BHS Copyright Laws (See Article II. G. in the BHS Contest Rules)

ARTICLE III: SCORING CATEGORIES

Each scoring judge awards a score from 1 to 100 for each song. All contestants will be judged in the three scoring categories:

A. Music

The Music judge evaluates the song and arrangement, as performed. He adjudicates the musical elements in the performance: melody, harmony, range and tessitura, tempo and rhythm and meter, construction and form, and embellishments. He judges how well the musical elements of the performance establish a theme and the degree to which the performance demonstrates an artistic sensitivity to that theme. He adjudicates the degree to which the musical elements of the song and arrangement display the hallmarks of the barbershop style.

B. Presentation

The Presentation judge evaluates how effectively a performer brings the song to life; that is, the believability of the theme in its musical and visual setting. He responds to both the vocal and visual aspects of the presentation, but he principally evaluates the interaction of those aspects as they work together to create the image of the song. He adjudicates the quality and appropriateness of the overall effect. The Presentation judge evaluates everything about the performance that contributes to emotional impact upon the audience.

C. Singing

The Singing judge evaluates the degree to which the performer achieves artistic singing in the barbershop style. Artistic singing is accomplished through precise intonation, a high degree of vocal skill and appropriate vocal expression, and a high level of unity and consistency within the ensemble. Mastering these elements creates a fullness and expansion of sound, and when combined with expressive vocal skills will convey a feeling of genuine emotion to support the message of the song.

ARTICLE IV: CONTEST JUDGES

A. Panel Requirements

Due to qualification requirements for BHS contests, a minimum of a single panel of BHS Certified Judges (Music, Singing and Presentation) will be requested for BHNZ National Competitions. Additional judges (including Contest Administrators) may be requested from the BHS as deemed necessary, or be drawn from qualified members of the Australasian Guild. It is the duty of the BHNZ Contest and Judging Committee, through its chairman, to maintain an official register of certified and candidate judges and contest administrators from the Australasian Guild.

B. Appointment of Judging Panels

The appointment of contest administrators and scoring judges to BHNZ contest panels will be actioned through the BHNZ Contest and Judging Chairman and his Committee, in consultation with BHNZ's National Convention Coordinator. Requests for BHS judging panels are to be actioned in accordance with the recommendations for Affiliates in the BHS Contest and Judging Handbook (page 19-38). Trial scoring should be encouraged for all non-appointed qualified or candidate Australasian Guild judges.

ARTICLE V: TYPES OF CONTESTS

A. All Contests

1. Sessions

If there are more than 15 contestants, they shall be divided into two or more contest sessions, scheduled as separate events. In unusual circumstances, an exception to this rule may be made by the BHNZ C & J Chairman.

2. Song Repetition

a. Substantial Part Repeated: Within all rounds of a specific contest, a contestant may not repeat a song or a substantial part of any song. In the context of these rules, the term song may refer to a single song or a medley in which major portions of two or more songs are used. A parody of a song previously sung would be considered repeating a song.

b. Recommendation by Music Judge(s): A Music judge shall recommend forfeiture to the contest administrator if a contestant repeats a song or a substantial portion from one of its songs in another song. If there are two or more Music judges, the decision to forfeit must be unanimous.

c. Recommendation Unanimous: When the decision to forfeit is unanimous, the contest administrator shall record as zero the contestant's entire score in all categories for the repeated rendition of the song(s).

d. Recommendation Not Unanimous: When the decision to forfeit is not unanimous, the score(s) for the recommending judge(s) shall be recorded as zero.

B. Open and International Preliminary Quartet Contests

1. Number of Songs Required

Contestants will be judged on four different songs in two appearances (semi-finals and finals).

2. Elimination Round and Number in Finals

b. The Contest Administrator may increase the number of quartets competing in the finals in the case of a tie for the final slot, or if he judges that more quartets have a reasonable chance of achieving the target score for BHS International Contest eligibility. [NOTE: Current target score is average of 76%]

3. Ranking and Awards

a. After the finals round, ranking of quartets will be computed in the two separate contests from the combined scores obtained in both rounds. The top placed Open Quartet will be declared the BHNZ National Champion. Those quartets in the BHNZ International Prelims who reach the target score will be announced as International qualifiers.

Should the champion be unable to attend, the second place quartet may petition in their stead. Any representative must meet the minimum qualifying score (currently 61%).

(4) A Youth Barbershop Quartet may compete in the BHNZ Open Quartet Contest and/or the International Prelim contest. (It should be noted, that if a Youth Barbershop Quartet qualifies for both the HFYBQC and the BHS International Quartet Contest they must choose which of the two contests to compete in. They will not be eligible to compete in both International contests.)

The current minimum average score is 55%.

(3) The first place chorus will be eligible to petition through the BHNZ C&J Chairman for an invitation to participate in the BHS International Chorus Contest. 1. Contents

An official scoring summary will show the contest date and location, the scores for each song in each category for each eligible contestant, the total score for each eligible contestant, the names of the songs, and the names of the official panel members.

2. BHNZ Contests

For all BHNZ Contests an official scoring summary will be published by the contest administrator immediately following the announcement of winners and/or qualifiers. A scoring summary for eliminated quartets may be published by the contest administrator following the conclusion of the elimination round.

ARTICLE VII: RANKING OF CONTESTANTS**A. Ranking**

Contestants will be ranked in accordance with the cumulative total scores of points awarded by the judging panel.

B. Scores

1. Reporting After Performance

The judges will report their scores to the contest administrator immediately following each contestant's performance.

2. Statistical Variances

During each contest round the contest administrator will notify each category if any statistical variances exist (where one score is statistically higher or lower than the rest of the panel for a song). The judges in that category will review their notes and all scores provided by the panel for either song in the performance. At that time, the judges in that category can change their scores for either song or leave them stand. The contest administrator will make any changes indicated and thereafter the scores are official. (See Position Paper IX. Statistical Variances in the BHS Contest and Judging Handbook for more details).

C. Ties

1. First Place Ties

A tie for first place will be broken by ranking the contestants according to their overall scores in the Singing category or, only if that does not break the tie, according to their overall scores in the Music category. If a tie still exists, the tie will stand.

2. Other Than First Place

Except for first-place ties, tie scores will not be broken, and the official scoring summary will list the tied contestants in rank order in accordance with the tie breaking formula.

3. Medals

When a tie situation occurs, any medal(s) specified in Article V that immediately follow(s) the tie ranking will not be awarded e.g. With a tie for 2nd medals are awarded to 1, 2, 2.

D. Ineligibility/Disqualification

1. Re-ranking

In the event a contestant is declared ineligible or disqualified for any rule violation after the results are announced or published, their rank order shall be filled by the next ranked contestant and a revised official scoring summary will be published accordingly. All remaining lower-ranked contestants will have their rank order adjusted accordingly.

2. Return and Redistribution of Medals and Awards

If the disqualified or ineligible contestant was given a medal or other award as one of the top-ranked competitors in a contest, all members of the disqualified quartet or chorus must return the awards to BHNZ for award to the appropriate contestant.

ARTICLE VIII: ORDER OF APPEARANCE

A. Contestants' Order of Appearance (OOA)

1. Draw for Singing Order; Excused Absence

The order of appearance will be assigned by random draw. Contestants will sing in the order in which their names are drawn. However, owing to circumstances beyond the control of the contestant the contest administrator or the BHNZ C & J Chairman may excuse an appearance other than in assigned order.

a. During contest: The contest administrator will determine whether to give an excused contestant the opportunity to appear after all other contestants in that contest session.

b. Prior to the contest: The BHNZ C & J Chairman may equitably determine a modification to the order of appearance for reasons beyond the control of the contestants.

B. Unexcused Absence

Any contestant, not excused, that fails to perform in its assigned order of appearance will be penalized. The contest administrator will assess a penalty of five points per scoring judge. A penalized contestant will have the opportunity to appear after all other contestants in that contest session.

C. OOA In Case of Absences by Multiple Contestants

If there are two or more excused or penalized contestants, their order of appearance will be determined by the contest administrator.

D. Failure to Appear During Round

Any contestant that fails to appear in any round will not be eligible to compete in any subsequent round in that contest.

E. Request to Sing First In BHNZ Chorus Contest

1. Written Request Prior To Draw

A chorus participating in the chorus contest may request in writing to the BHNZ C & J Chairman that it be permitted to sing at the beginning of the contest. Such a request must be made and received prior to the draw being made.

2. Multiple Requests

[See style definition in Chapter 2 of the BHS Contest and Judging Handbook.] A song performed in contest must be in good taste, be neither primarily patriotic nor primarily religious in intent, and have a melody and harmony consistent with the barbershop style.

a. Jurisdiction, Adjudication and Penalties: Songs not consistent with the barbershop style will be adjudicated in terms of the quality of the performance by the Music judge(s). Actions by any contestant that are not in good taste will be adjudicated in terms of the quality of the performance by the Presentation judge(s). Violation of the provision relating to patriotic or religious intent will result in penalties up to and including forfeiture by the Presentation judges(s) only.

2. Unaccompanied

The latter provision applies to both the entire performance and each individual song. Violation of this provision will result in penalties up to and including forfeiture by the Music judges(s).

3. Chorus Subunits

In chorus contest performances of songs, selected use of a soloist, duet, trio or quartet is acceptable as long as it is brief and appropriate. At no time should the musical texture exceed four parts. The spoken word, brief and appropriate, is not considered an additional "part" in this context. Compliance with this provision will be adjudicated in terms of the quality of the performance by the Music judge(s).

B. Copyright Compliance

B. Restrictions and Exception

1. Own Equipment

Contestants may not use their own equipment to electronically amplify or alter their voices.

2. Offstage Use of House System

Contestants may not make offstage use of the house sound system.

3. Recorded Music or Spoken Word; Electronic Enhancement

4. Electronic Pitch and Brief Effects

Contestants may use electronic means independent of the house system to take pitch or to provide limited, brief, and relevant sound effects.

C. Jurisdiction and Penalties

Violations of Article X are subject to penalties up to and including forfeiture by the Singing judges(s).

ARTICLE XI: STAGING

B. Jurisdiction and Adjudication

The Presentation judge(s) will have jurisdiction over issues of staging. (See the Presentation category description in the Contest and Judging Handbook for a discussion of unacceptable staging.) C. BHNZ Chorus Contest

1. Props

a. Restrictions: If props and/or stage enhancements are to be used, they must be simple enough that at most two men can carry and set them up, and they must be freestanding.

(1) Nothing can be attached to or leaned against the riser (back) safety rails.

(2) No extensions to the end risers are permitted.

(3) At no time are competitors allowed behind the risers.

(4) No props or stage enhancements can be used that may contravene local fire and safety codes (open flame, fireworks, open water other than in a glass or pitcher, etc.)

b. Penalty: Violations of the preceding will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance). The stage crew, with the concurrence of the panel chairman, will make this determination.

c. Financial liability

(1) Any use of props and/or stage enhancements that damages microphones and/or lights will result in the chorus or quartet being held financially responsible to BHNZ for the replacement in kind of the damaged equipment.

(2) Any use of props and/or stage enhancements that results in alteration to the condition of the stage and/or house and requires additional labour to rectify the stage and/or house to its pre-performance condition will result in the chorus or quartet being held financially responsible to BHNZ for the total cost of the labour incurred.

2. Cleanup

a. Restrictions: Confetti and similar small material that requires extensive cleanup is banned from use in both chorus and quartet contests. Other materials which are difficult to clean-up (requiring mops, brooms, vacuum cleaners, etc.) are strongly discouraged from the stage.

b. Penalty: Any clean-up longer than 60 seconds will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance).
